[US Airways](#) has the following policies on pet-travel:

Pets are allowed as carry-on for travel throughout the continental US. Check their website for information on travel outside of the US.

Fees: \$125 each way.

Notes:

- The in-cabin weight limit is 20 pounds including the kennel that must be able to fit under the seat.
- Only 3 pets can be on board at one time, so advance reservations are advised.
- 1 small domestic dog, cat or bird per passenger.

For complete guidelines, check their site at: [US Airways](#)
